London Irish Disability Rugby Club

Dear Parent/Guardian

I would like to invite your Son/Daughter to attend the newly created London Irish RFC Disability Rugby Team. **Training will begin on January 10th 2019 at 4.00pm at Newbury RFC.** Training is open to anyone aged between 14-18 who has a **Learning Difficulty or Disability.**

London Irish are running a new programme called Project Rugby which aims to work with under represented groups. We are currently running sessions all across Berkshire, Middlesex and Hampshire working with Schools, Colleges and Community groups.

We have noticed there is currently no opportunity to continue playing rugby outside of the educational settings in Berkshire unless joining a Grassroots club. This is where London Irish come in. We are running this as an affiliated club to London Irish RFC. Training will be led by highly qualified and trained rugby coaches who have experience in this sector. All sessions are fully risk assessed.

If you would like to find out more information or have any questions, then please email me on joseph.pegg@london-irish.com

Kindest Regards

Joseph Pegg
