

English

In English, we will be linking our reading and writing to our topic of 'Space'. We will be reading a range of fiction and non-fiction texts. Our first story will be 'Whatever Next'. We will also be reading stories, such as, 'Alien's Love Underpants'.

We will learn how to use capital letters, finger spaces and full stops correctly. We will also be developing letter formation.

Maths

In maths, we will be focusing on developing our number skills. We will learn...

- To count, read and write numbers up to 20.
- To know our number bonds up to 20.
- To know one more and one less from any given number.
- To count in twos to 20.
- To form numbers correctly.
- To compare numbers.

Science

In science, we will be learning all about the human body. We will learn how to name and draw the basic parts of the human body and say which part of the body is associated with each sense.

In computing

In computing, we will be learning about what algorithms are and how they are used on digital devices. We will be learning about algorithms as being a precise set of instructions.

Year Group: 1

Topic: Space

Term: Autumn Term

History

In history, we will be developing discussion about the changes that have happened within the children's life. We will be focusing on our local area for this, and in particular, the New Wear Crossing.

PE

In PE, we will use movements imaginatively to create our own space dance. We will learn how to change speed, level, direction and rhythm.

Geography

In Geography, we will be looking at maps and will be creating our own aerial view map for an alien visiting Sunderland.

We will also visit the local area and take photos of interesting things in the local area and explain what the photos show. When back at school, we will record this information.

RE

In RE, we will learn about who Jesus is and why he is so special to Christians. We will read stories about Jesus and learn about his beliefs.

Music

In music, we will be learning a range of different songs, chants and rhymes. We will be really focusing on how to listen with good concentration.

Art and design

In art and design, we will be creating space pictures, similar to that of the artist Peter Thorpe. We will explore using a range of colours, patterns and textures.
