Tuesday 8th January 2019

Welcome back to the **Spring term 2019**, I hope you all had a lovely break and the children are refreshed and ready for the challenges ahead!

For those parents whose children entered the '**Design a Helmet**' competition recently, please follow the link below to view all our entries. Unfortunately we didn't have any winners on this occasion, but hopefully it has drawn attention to the importance of wearing a cycle helmet at all times when out cycling.

Unfortunately, due to staff training at the pool, **swimming** will not start for **Class 6** until Friday 18th January and will continue for 10 weeks up to and including the final day of this term, Friday 29th March. If you have not already paid a donation of £15 to cover the cost of transport, please do so via the online system.

If you have any **Victorian costumes/outfits** you can donate to **Rock Challenge** the ladies would be very grateful of this. They will also be looking for help with some fund raising ventures soon, so please catch them or myself in the yard if you can offer help. Thank you

We need some help please! Part of our School Improvement Plan this year is to raise standards in reading across the school therefore we are revamping the school library, starting this term. This was an area for improvement following our last Ofsted. There will be some very minor building work to do e.g. removing a workbench, filling in and making good the walls, moving shelving, painting etc. If we had a working party of just a small number of willing, skilled parents this work would not take long to complete. If you feel you can help in any way even just to spare an hour or two, please call in at the office and leave your name or catch me or Mrs Bewsher in the yard. Thank you.
