School Nurse Drop in Sessions

See above for the dates. You are welcome to come and discuss any topic related to you children health and well-being.

REMINDERS

Pantomime

Year 5 are thrilled to have secured tickets to see the pantomime at the Alhambra on January the 3rd. The children are very excited, as are the staff. School took advantage of a deal and got the tickets for the bargain price of £5 each as opposed to £31.50 each. We hope year 5 have a great time and enjoy the interval treats the teachers have promised!

Nursery

Please look out for the parent introduction meeting to our Early Essence Parent Portal. Here you will learn how to access your child's school learning journey and learn how to upload your own contributions from home. We will let you know the date soon.

Party

Nursery are having a Halloween Fancy Dress party in the morning and the afternoon of Wednesday 31st. Please send your child in a simple costume and remember to bring some party food.

Collecting Your Child from school

As the evenings become darker, please be vigilant about your child's safety.

Your children's safety is of paramount importance to us all.

With this in mind you must ensure that you adhere to the following when collecting your child at the end of the day:-

- A responsible adult must collect children.
- We do not allow children to leave school with an adult that is unknown to us.
- If your collection arrangements change, even at short notice, you must contact the school office and advise us of the new arrangements.

These guidelines help us to ensure that children from Nursery to Key Stage 2 are safe and we appreciate your continued support.

Winter Clothing

It is important that your child is dressed appropriately for the conditions both inside and outside school. Please be aware that we do have the heating on in school during the winter months and children do not need to wear additional layers such as t-shirts and thermal tops underneath their school uniform. Children do however need warm outdoor clothing for playtimes and lunchtimes. As well as a warm coat, you should send your child with hats and gloves during the cold weather.

May we respectfully remind you that shoes should be **BLACK** and trainers should not be worn except for during PE lessons. During the Winter months, children who come to school in boots or wellingtons **must** change into their pumps or shoes whilst indoors.

PLEASE ENSURE THAT ALL ITEMS OF UNIFORM AND PE KIT ARE LABELLED WITH YOUR CHILD'S FULL NAME.
