8<sup>th</sup> January 2019

Dear Parents,

I hope you have had an enjoyable and relaxing Christmas.

Over the holidays, there has been a water leak in our classroom. The water has gone through the carpet down to the concrete base, meaning that it will take several weeks to dry and for the flooring to be replaced. We are fortunate to be able to use the newly refurbished Library as our temporary classroom for the meantime.

The children will come into school through the Infant playground as usual, they will then need to hang their coats on their pegs and bring their book folders/water bottles to the Library.

At the end of the day, the children will be dismissed through the door of the classroom that they were taught in last year. Please could you ensure that you come to that door when collecting your child.

If you have any questions, please come to see me.

Thank you,

Miss. K Samadram  
Class Teacher – Lovely Leopards
