

## Class 5 Homework Topic Menu

Over the next few weeks, the children will have the opportunity to complete some homework projects.

**Please complete at least 2 tasks from the menu list below. Due: Tuesday 12<sup>th</sup> February 2019**

<b><u>Tasks:</u></b>	Tick when complete:
Design and create a 3D model of a chariot race.	
Write up a description about Ancient Greek home life and families, for example: jobs, duties, cooking, weaving, etc. (for example: in Ancient Athens)	
Design a Greek helmet.	
Create a presentation board or poster showing important/famous Greek artwork, especially sculpture.	
Create and design an example of weaving.	
Create a timeline detailing important historical facts about Greece.	
Write a message using the Greek alphabet.	
Pick a Greek myth and either create a PowerPoint presentation or design a poster about your research on this myth.	
Using clay, design a sculpture or piece of artwork using the Greek's artwork as an example.	
Research the Greek Olympic games and create a presentation board or PowerPoint about what you discovered.	

**We really love seeing your own projects from home and adding these to our topic displays! Dojos are awarded for the completion of topic homework, and you'll have a chance to show and tell the class and adults about your homework too! 😊**

**PE:** We'll be working in the hall this term with a focus on invasion games and team-building activities.

**Spanish:** We'll be having weekly Spanish lessons on a Monday afternoon with an MFL teacher 😊

**RE:** Local Church and Eucharist.

We'll be looking at our local community and studying the Eucharist this term.

We'll also be working in our prayer journals more often, and spending time as a class within collective worships.

**Literacy:** Our book for this term is 'Street Child'. Our genres are: Character description, letters and narrative. We'll also be completing a LitFilmFest project about sustainable living!

**Music:** We will be continuing with the Charanga program this term, with a view to using instruments within our lessons!

## Greece: Past and Present!

### What can we learn from the past?

- Greek art including shield-making, pottery design, mosaics and mask design!
- Ancient Greek history – the Gods and Goddesses behind the myths, Aristotle, Plato and more!
- Contemporary Greece – what is this Mediterranean country all about?
- Greek architecture – those famous landmarks we see on postcards!
- Greek food tasting! We'll immerse ourselves into a Greek afternoon!

### Maths:

This half term we'll be working on fractions, decimals and angles! We'll also be revising the topics we studied in the autumn term.

### Read Write Inc:

We'll continue with our weekly Read Write Inc Spelling work. Please refer to the weekly homework sheet for information on the current spelling rule so you can practise at home!

### Science: Properties and changes of materials.

We will be considering what everyday materials are made from, and how we can change and alter their states.

We'll be polishing our investigative skills by planning and conducting our own investigations and experiments.

We'll also be looking at reversible and irreversible changes.
