

Can you make some porridge what would add to it-fruit, honey, nuts, and raisins, make it with chocolate milk?

Make some flapjack.

250g jumbo porridge oats

125g butter

125g light brown sugar

2-3 tbsp golden syrup (depending on how gooey you want it)

Method

Heat oven to 200C/180C fan/gas 6. Put all the ingredients in a food processor and pulse until mixed, but be careful not to overmix otherwise the oats may lose their texture.

Lightly grease a 20x20cm baking tin with butter and spoon in the mixture. Press into the corners with the back of a spoon so the mixture is flat and score into 12 squares. Bake for around 15 minutes until golden brown.
