

Upton Snodsbury C E First School

Overview of Our Primary Curriculum

This document presents an outline of the content of the National Curriculum

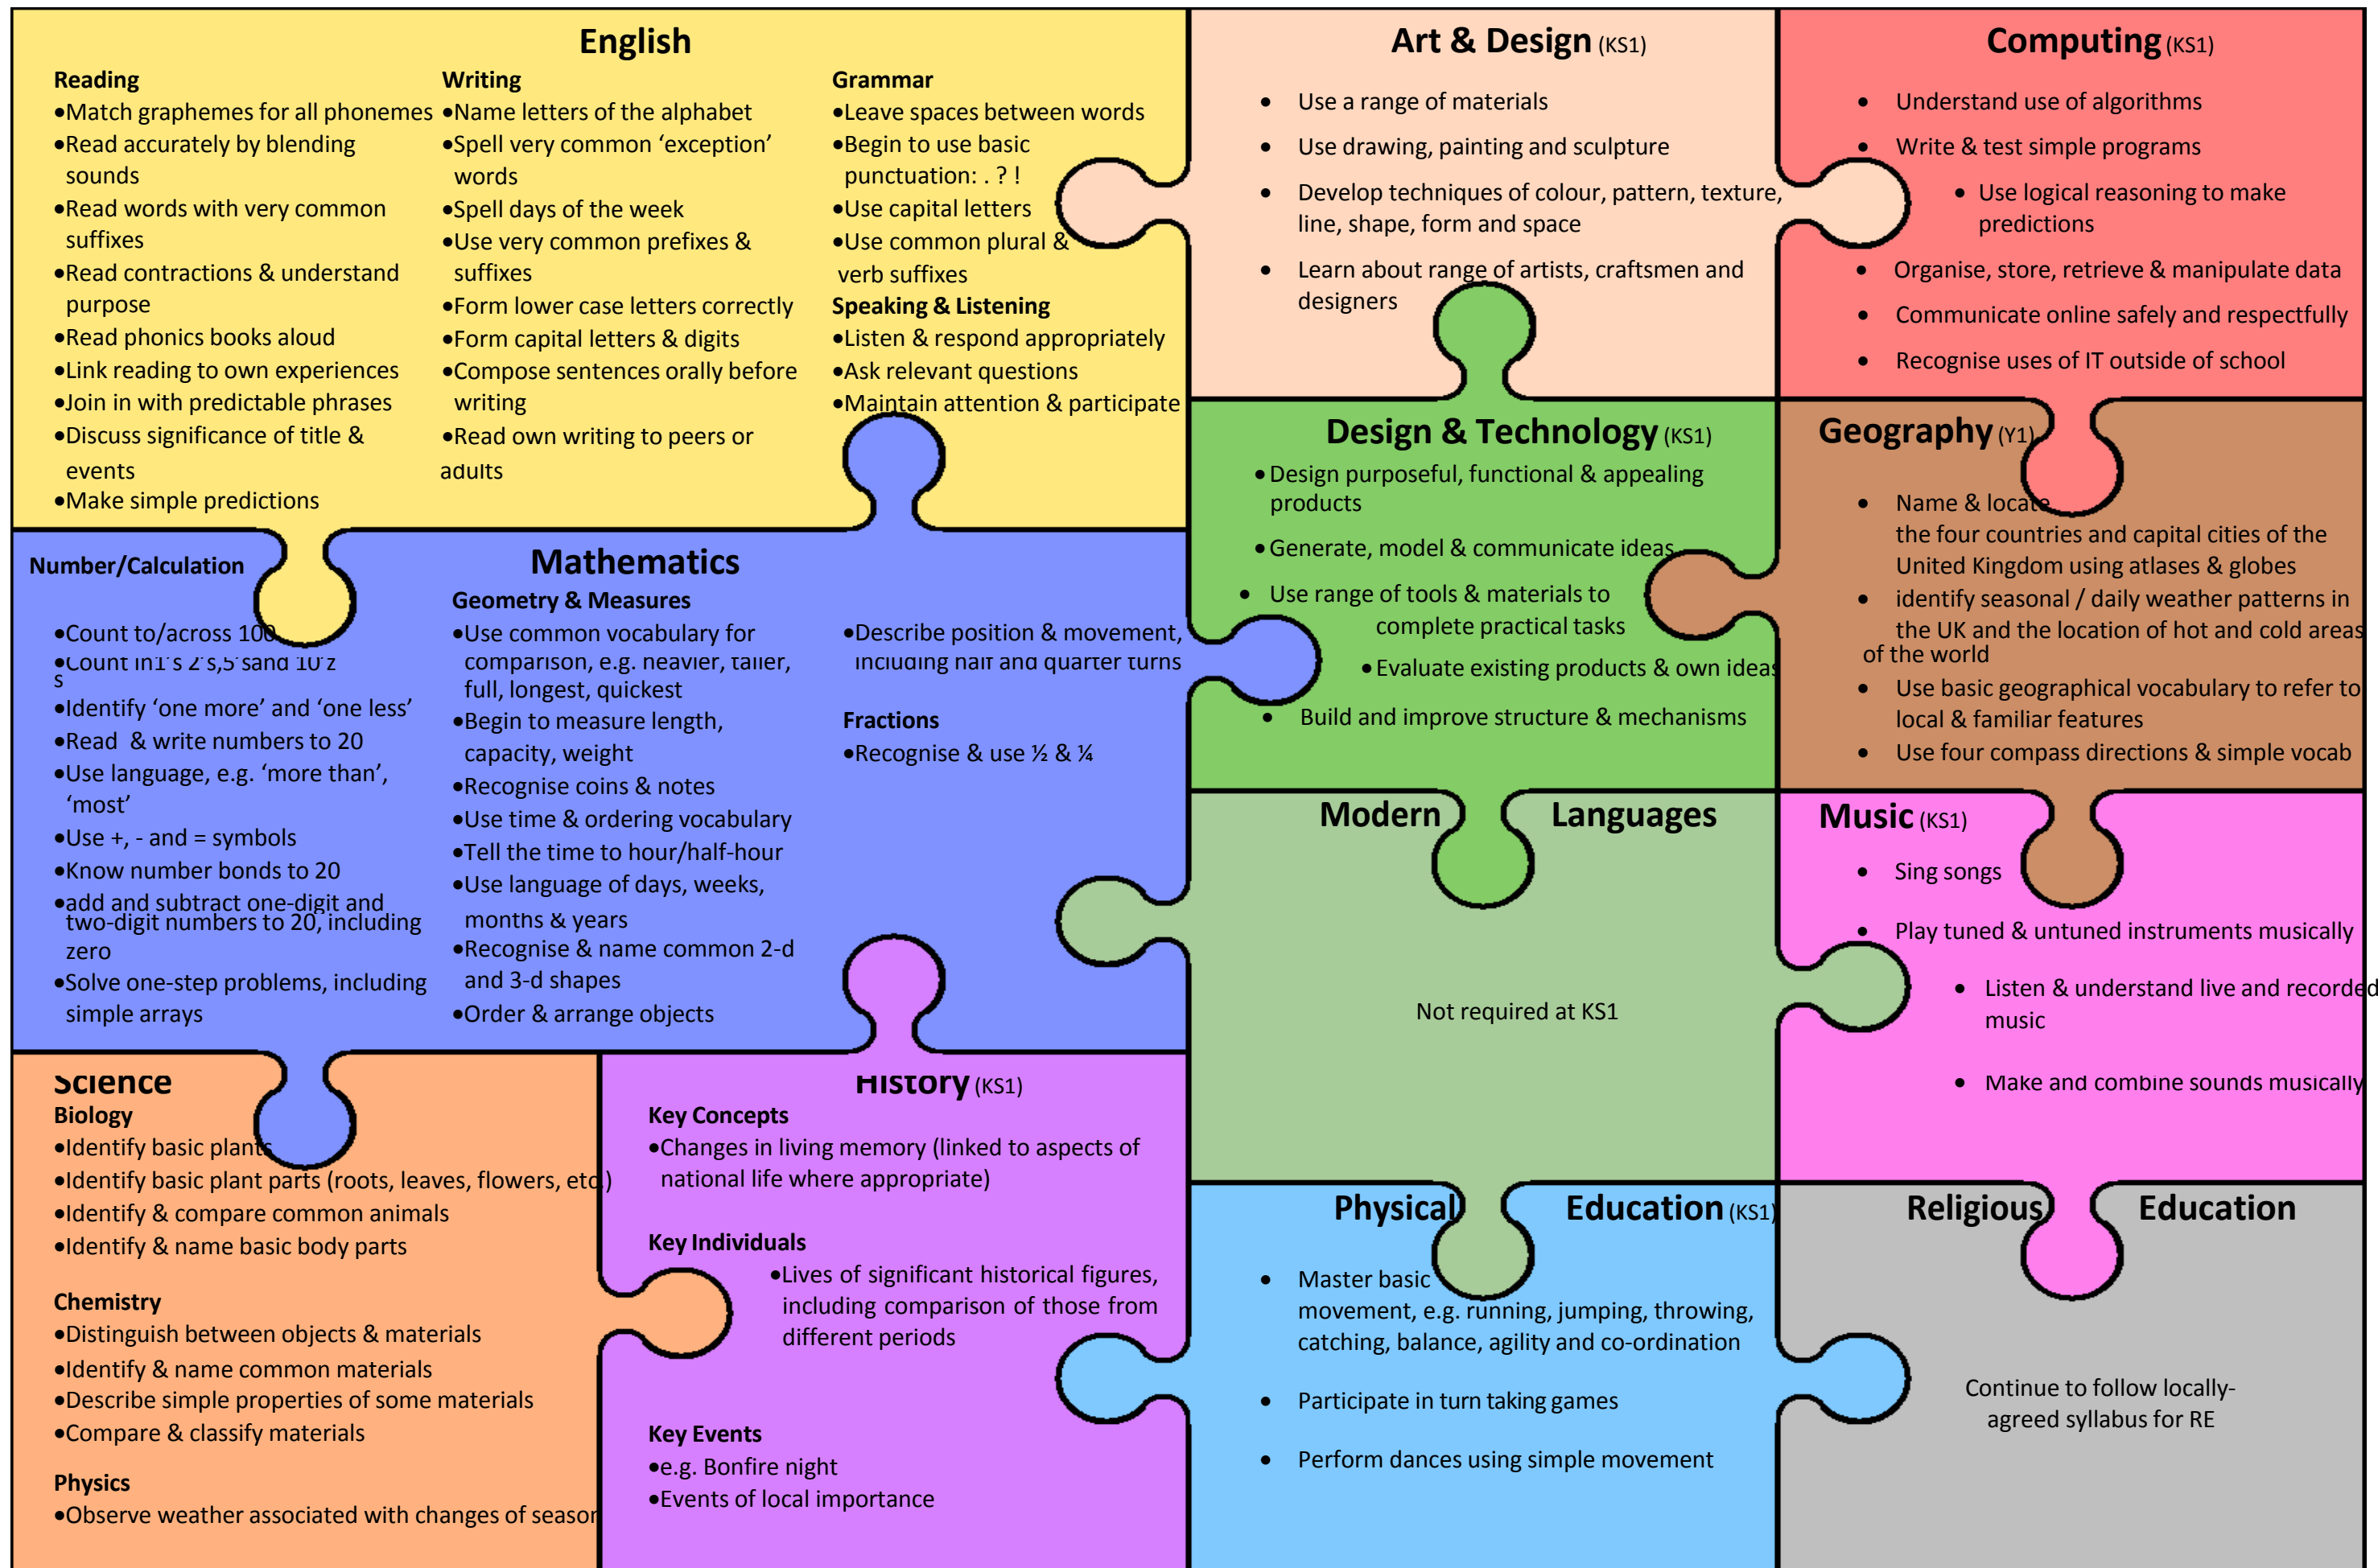

Core subjects (English, Maths & Science) are presented in a year-by-year format, based on the outlines given in the National Curriculum. History is also presented in this format and based on a suggested programme.

All other subjects are presented in two-year sections, dividing KS2 into Lower and Upper Key Stages.

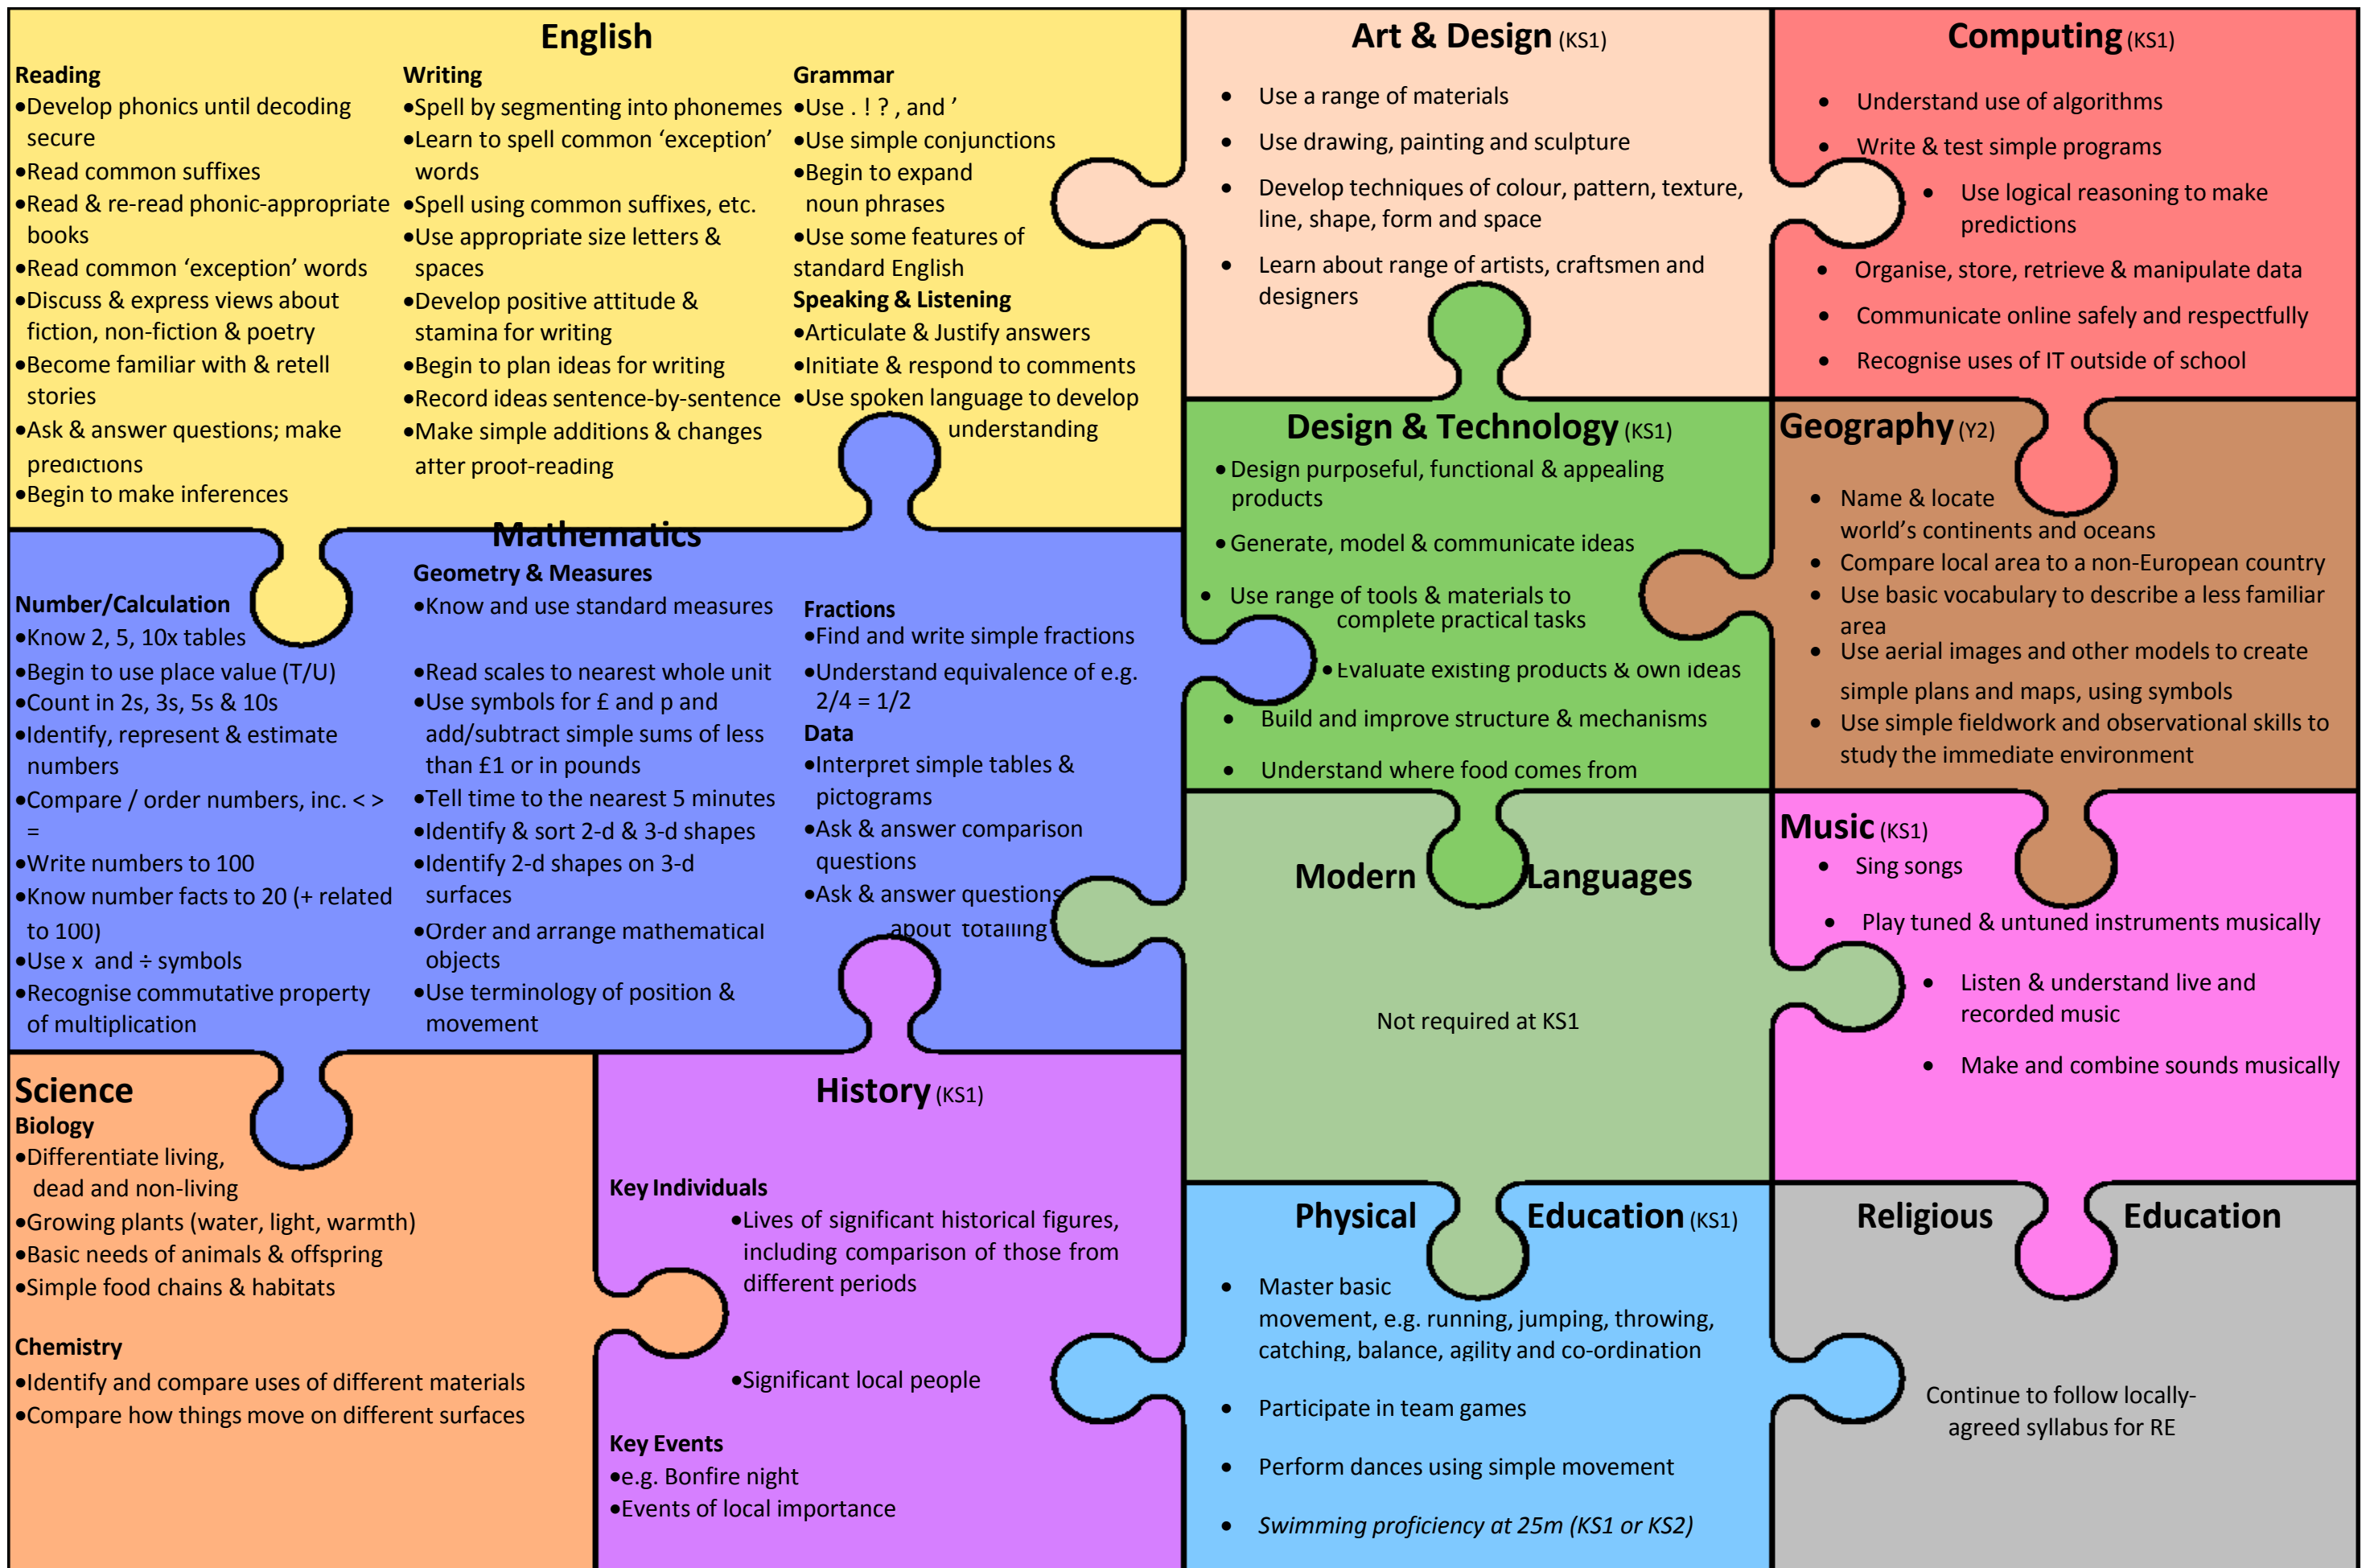

It should be noted that it is only statutorily required to cover each Key Stage's content by the end of the key stage. It is for our schools to decide on the most appropriate ordering for their situation. The curriculum content is delivered through a thematic approach in our school as described in our curriculum policy 2018
