

Literacy

We will read Superhero themed books, such as Supertato, Evil Pea rules, Super Daisy and the Peril Pea, and Superkid.

In Talk for Writing we will be learning a poem called 'If I was a Superhero'.

We will learn about rhyming words and alliteration found in poems.

Reading: We will continue reading with your child once a week at school. It is very important that you read at home with your child on a daily basis. Reading with your child daily helps to improve their language and understanding skills as well as the enjoyment of sharing a story and talking about what is happening.

Maths

This term we will continue counting to 20 and in steps of 2, writing numbers and adding or subtracting numbers to find the total. We will use shapes to create our own patterns and pictures. We will also beginning to look at length.

Expressive Arts and Design

We will be using different skills and tools to design different aspects of superheroes e.g. sewing, threading, cutting holes, using double sided tape. All the skills combined will help us to create characters and costumes.

Reception-Spring 1

What does a Superhero

do?

TRIPS/EVENTS

Superhero day: Wednesday 9th January

We will be having an action packed superhero day. The children will need to come in dressed up as a superhero and will need to think about what their superpowers are and how they can work together.

Understanding the World

The children will continue to look around our outside space to identify any changes in the weather and seasons.

Based on the book 'evil pea' we will be tasting different vegetables and taking part in a freezing and melting science experiment.

Festivals and celebrations

Chinese New Year:

On the 5th February we will have Asia Day and we will be looking at Chinese new year and how it is celebrated.

This year it is the year of the pig. There will be lots of fun activities for children to take part in.

P.E

All children must have their P.E kits in school.

This term we are learning to move around with good control at different speeds and in different directions. We will discuss different toys and how we can move like them.

ICT

The children will be learning to use different skills using Chrome books, torches, computers and iPads. They will help to produce a simple story with their own photos and story ideas.

Personal Social and Emotional Development

We shall be looking at the characteristics of superheroes and villains. How can we work together to achieve our aim like a superhero? What makes a villain bad; how do they behave? What rules should we make so every superhero and villain knows how to behave.
