

ENGLISH

Using Talk4Writing, we will be writing a journey tale based on Handa's Surprise.

We will be learning about the different culture and making our own journey tales with different animals.

The children will be learning how to use descriptive language to make their writing exciting.

The children will also be learning how to edit their writing to make improvements.

Read Write Inc.

The children will continue to do their phonics in Read, Write, Inc. groups.

MATHS

In this term the children will be consolidating and learning about the number system.

We will be working on:

- Place Value
- Addition/Subtraction facts
- Count forwards/ back to 50
- Counting in 2s, 5s and 10s

D.T

We will be designing an animal home.

Using their knowledge of materials, the children will do experiments to test a range of materials in order to adapt and improve their animal homes.

Year 1 — SPRING 1

BUILDINGS

TRIPS/EVENTS

We will be starting some clubs this term.

Please look out for up to date information about these from your teacher.

We will also be taking the children to look at some show homes to learn more about buildings.

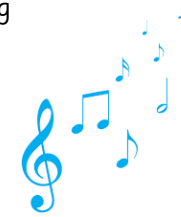

SCIENCE

The children will investigate materials, which are appropriate for particular requirements. They will be testing out several materials and recording their findings.

MUSIC

The children will be learning about the Blues Genre.

PE

We will be doing dance this term.

We will be exploring putting a range of movements into a sequence.

GEOGRAPHY

We will be looking at our local area, looking at buildings, designs and places of interest.

We will also look at famous buildings and landmarks around the world.

ICT

We will using the iPads to create an animation of the three little pigs story.

RE and CITIZENSHIP

The children will be working on the topic 'Living in the wider world'

Areas we will focus on are:

Co-operation in a group.

Living together.

Outdoor safety

Environment
