

## HOLLINGWOOD PRIMARY SCHOOL

Dear Parents and Guardians

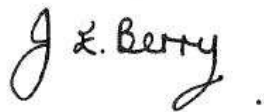

7 January 2019

During the autumn term the children at Hollingwood Primary School have all spent time learning how to keep themselves safe online. We also ran 3 workshops for parents.

Technology is changing all the time and as parents it is important to have the most up to date information. Many parents attending the workshops requested further information. The attached information from the Police is for **parents not children**. There are some very hard hitting messages.

It is essential we all work together to keep children safe online. Safety is everyone's responsibility, we will continue to ensure your children have regular lessons on this very important topic.

Yours sincerely

Mrs J Berry  
Deputy Headteacher
