9th January 2019

Dear Parents / Carers,

Superheroes!

This half term in Y1, our topic is 'Superheroes!' As part of our topic we are inviting children to get dressed up as superheroes for an action packed superhero day on **Monday 21st January**.

You don't need to buy an expensive costume, you can just make your own at home.

During the day we will be singing superhero songs, learning about different superheroes and designing and making our own superhero shields.

We look forward to seeing you in your superhero outfits for our Superhero day.

Thank you for your continuing support.

Y1 Team
