19.12.18

Dear Parent / Carer

When we return to school in January we will be launching a very exciting topic. The whole school title will be 'Come Rain...Or Shine' which we have interpreted to be 'The Frozen Planet' in the first half term and 'Going on Safari to Kenya' in the second half term.

Our launch day will be the 14<sup>th</sup> of January when we would like the children to come to school in very warm outfits (all in ones, waterproofs anything that they would wear in wintry weather) as well as wellies. We will be getting on a virtual plane and when we land will be heading outside for an outdoor day in the Yurt and outdoor area, where we will be engaged in a rotation of activities relating to the topic.

As we want to make this as exciting and awe inspiring as possible we are intending to create a Polar landscape in the Yurt (including ice bergs) we are hoping that you are able to help us with a few items. We would like old white sheets, polar soft toys, white / silver Christmas decorations, an old paddling pool and any books relating to the Arctic or Antarctic. We would also like to put up some small tents or beach shelters to protect us from the harsh Polar winds. If you are able to help with any of these please do let us know ASAP as we will be decorating the Yurt the week we come back ready for the launch on the 14<sup>th</sup>.

Please see the attached list for other items which we are collecting within the Spring Phase. These items are ongoing and you may have already noticed the black bins on the front playground to help with collection. You can also speak to your child's class teacher regarding this. Thank you in advance for your support.

Have a lovely Christmas.

Thank you,

Kerry Sizer, Jess Searby and Emilie Calvert.
