"Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport you offer"

Objectives of spend:

- Improve the provision and quality of PE & School Sport through specialised coaching and staff CPD.
- Broaden the range of sporting activities and experiences available to all pupils.
- Increase opportunities for participation in extra-curricular clubs and inter and intra school competitions.
- Raise attainment in primary school swimming to meet requirements of the NC before the end of KS2.
- Embed physical activity into the school day through the development of active playgrounds.

## Outline of Primary Sport Premium spending 2018-19

School focus with clarity on intended <b>impact on pupils</b>	Funding allocated	Actions to achieve	Evidence and impact:	Sustainability and suggested next steps:
<b>Key indicator 1: Improve the provision and quality of PE &amp; School Sport through specialised coaching and staff CPD.</b>				
Well planned out, differentiated and resourced lessons.	£5020	Specialist coaches to plan high quality lessons, which are well differentiated to meet needs of all learners, are well resourced with specialist equipment. Assessments are carried out to inform future planning, to ensure good progress is made by all and all pupils are challenged appropriately.  Carry out Pupil Perception surveys to determine quality of challenge.  Purchase sports equipment for use in lessons and after-school clubs.	Attainment of pupils increases in particular the number of children who achieve greater depth. Progress improves and  Improvement in pupil perception of challenge in lessons, more children aware of whether they are being challenged and what challenge means to them.  Lesson observations show pupil engagement for all pupils.	
Staff confidence and skill set improved so that high quality provision is sustained in the future.		Specialist coaches to work with staff on planning high quality sessions, team teaching, understanding skills progression.	Staff able to confidently plan and deliver high quality sessions that challenge and engage all learners.	

**Key indicator 2: Broaden the range of sporting activities and experiences available to all pupils.**

Employment of Premier sports.	Included in amount in KI 1	Premier sports employed as they offer enhanced activities i.e. fencing, lacrosse, archery, BAGA awards in gymnastics.	Variety of sports offered to children increases. Children's interests in new sports sparked and enrolment in outside clubs increases as a result. Lesson observations show wider range of games and sports taught. Pupil perceptions will show an increased enjoyment in PE.	
-------------------------------	----------------------------	---	--	--

**Key Indicator 3: Increase opportunities for participation in extra-curricular clubs and inter and intra school competitions.**

Employment and deployment of coaches to run afterschool clubs.	£3080	Premier Sports employed to run a weekly gymnastics club and an additional club to consist of Rugby, Archery or Fencing (one per term). Dance specialist employed to run a weekly dance club.	Target children to be offered places to improve fitness and well-being. Clubs that require payment to be fully funded by school. Number of children participating in after school clubs to increase.	
For increased number of children to represent the school in inter school competitions.	£500	Provide cover for teachers to attend competitions in school hours. Cover the cost of transport to competitions. Take part in competitions organised by the cluster as part of the first tier in the Essex School Games.	Increase pupils' participation in the School Games, and other school competitions.	

**Key Indicator 4: Raise attainment in primary school swimming to meet requirements of the NC before the end of KS2.**

Additional after school clubs offered to all year groups to increase attainment/standards in swimming.	£726	Swimming club offered twice a week to all year groups. Sessions run by qualified external instructor after school.	Children with poor attainment funded by school to ensure ability to access additional provision.	
Additional swimming given to children in KS1 and lower KS2 to ensure attainment is improved.		All children offered the chance to swim weekly during the summer and autumn 1 (not EYFS) terms.	Children have the opportunity to attain the standard required at the end of KS2 early. Enable more children to achieve at a higher standard by the end of KS2.	

**Key Indicator 5: Embed physical activity into the school day through the development of active playgrounds.**

<p>Development of the school playground to include sports equipment to increase physical activity during play/lunchtimes</p>	<p>Carry forward £7934</p>	<p>Majority of the procurement of resources will take place once the school expansion is complete and the playground space is fully accessible and complete (expected summer 19).</p> <p>Various resources and equipment to be purchased/installed to enable children to access a larger range of physical activity during lunch and play times.</p>	<p>Children will have the opportunity to participate in a larger variety of games/activities during playtime. Children will be more active at recreation times.</p>
