Mission Statement

“To be the best that we can be.”

Curriculum Overview for Modern Foreign Languages

In accordance with the New National Curriculum (2014) it is compulsory for all children in Key Stage 2 to learn a foreign language. The aim of this is to enable children to develop a curiosity and deeper understanding of the wider world. As a result of this we are continuing to teach French at Johnson Fold. We are delighted to continue working with Mrs Halliwell from Smithills School, to provide our KS2 children with specialist French teaching once a fortnight to supplement their weekly French lessons.

Throughout KS2 children will be learning to speak, read and write French. All pupils will have access to a variety of authentic resources, which will give them the opportunity to gain knowledge of French vocabulary and grammar. Our aim is to encourage spontaneity of speech, for example through picture and word recognition games and by learning French songs. Children will also be given opportunities to explore a range of cultures in French speaking countries, with many opportunities for topic and cross-curricular learning, which will be evident in our whole school French Day.

We continue to strive to equip our children with tools to enable them to become true global citizens.
