Curriculum Overview for Religious Education

Religious Education at Johnson Fold Primary School plays an important role in contributing to the spiritual, moral, social and cultural development of our pupils. Non-denominational Religious Education is provided for all children as part of the curriculum and is in accordance with the local agreed Religious Education syllabus (SACRE.) Assembly is an important part of the school day when we meet together as a community. It is a time when we place emphasis on the development of values and attitudes towards each other and the world around us. Assemblies are non-denominational and although they are of a broadly Christian nature due consideration is given to the multicultural society in which we live.

The aim of the subject is to enable all pupils to develop an understanding of some of the major world religions and to gain an appreciation of the ways in which religion influences and affects daily life.
