TWITTER POLICY

Rationale

The rationale of this policy is to explain acceptable use of Twitter relating to the St. Benedict's Catholic Primary School handle @StBenedictsRCPS for staff, children, parents and governors. The policy will therefore aim to explain the purpose of Twitter at St. Benedict's Catholic Primary School and the benefits that will arise from its proper use, and also deal with any potential pitfalls from using a Social Medium.

Aims of Using Twitter

- To quickly share and celebrate children's and school achievements, successes and updates.
- To demonstrate safe and responsible use of social media
- To promote St. Benedict's Catholic Primary School as a forward thinking and progressive school through our use of 21st century technology

What is Twitter?

Twitter is used primarily as a method of communication made up of 140 characters called a 'Tweet'. Tweets are an answer to the question "What are you doing?" Tweets tend to reference people, places, and/or activities to which the said referee can respond. Tweeters either directly reference another person or broadcast information to which others can reply and respond.

Twitter users are able to follow or be followed. To follow somebody/thing ensures that all of their activity and comments appear in the followers news feed. The obvious benefit of having followers is that the information you broadcast is instantly distributed into their news feed. Users can also private message each other when they don't want conversations to appear. St. Benedict's Catholic Primary School will not enter into private discussions with others.

What is the primary purpose of the St. Benedict's Catholic Primary School Twitter Page?

The school Twitter page will be used principally to be followed by parents, staff and other professionals in order to celebrate the excellent work by staff, children, parents and governors.

Who controls content for St. Benedict's Catholic Primary School?

The uploading of content for the @StBenedictsRCPS twitter page will be controlled by the Headteacher, and senior leaders.

TWITTER POLICY

Who can follow St. Benedict's Catholic Primary School?

St. Benedict's Catholic Primary School will encourage teaching staff, Governors and parents (of St. Benedict's children) to be followers. Due to the fact that Twitter does not aim their services to people under 13 years of age, we will direct any followers who we believe to be under this age to the Twitter 'Policy Towards Children' (which stresses the importance to children of keeping personal information private). At St. Benedict's Catholic Primary School we are fully committed to the safety of all children.

The school Twitter account will be a Public account. The Headteacher and Senior Management Team will monitor the followers and block any who appear to not be school focused.

Who will St. Benedict's Catholic Primary School follow?

In order to protect itself from inappropriate content being distributed into its news feed, St. Benedict's Catholic Primary School will only follow other users who have obvious benefits to the school (e.g. other educational establishments or organisations who work with children, local media). These will be decided on a case-by-case basis at the discretion of the Headteacher or the Senior Management Team.

St. Benedict's Catholic Primary School sees itself more as a distributor of information to those who follow it and not as a receiver of information.

What is inappropriate content and referencing and how will it be dealt with?

St. Benedict's Catholic Primary School welcomes any referencing, mentions, or interactions that share the success of the school community. Therefore, St. Benedict's Catholic Primary School deems any of the following as inappropriate:

- Offensive language or remarks aimed at the school, its staff, parents, governors or others affiliated with the school;
- Unsuitable images or content posted into its feed;
- Unsuitable images or content finding its way from another's account into the school Twitter feed.
- Images or text that infringe upon copyright;
- Comments that aim to undermine the school, its staff, parents, governors or others affiliated with the school.

Any inappropriate content will be deleted and its users will be removed, blocked, and, depending on the nature of the comment, reported to Twitter. Furthermore, incidents of a more serious nature may be reported to the appropriate authority.
