

Wednesday 9th January 2019

Dear Parents/Carers,

E-safety Parent/Carer Meeting, Tuesday 22nd January or Wednesday 13th February 2019

We live in an increasingly connected world, with more technology and e-safety communication at our fingertips than ever before. Children are increasingly using a range of devices such as tablets, mobile phones and games consoles which enable them to easily connect with the wider world. It is therefore crucial that we understand how we as adults can keep our children safe.

With this in mind, we are really pleased to announce that we have invited Richard Maskrey, a previous Herts e-safety adviser, to deliver a talk to parents/carers on the very latest developments in this area. Richard delivers information sessions like this to many schools and we are extremely lucky to have booked him for this term.

The session will cover various areas, including:

- Get to know the latest online threats and how to manage them
- Understand how to keep your children as safe as possible
- How to help your child make the right decisions
- Find out about the best ways to monitor and control the internet in your home

We will be holding the talk on **Tuesday 22nd January 2019 at 9:00-10:00am** and on **Wednesday 13th February 2019 at 6.00pm-7.00pm** in the school hall.

We strongly encourage all parents and carers to attend this meeting, irrespective of the age of your children. We cannot emphasise enough how important it is to be aware of the themes that will be covered. We feel that this meeting will be extremely beneficial particularly for those moving on to secondary schools in the next few years.

Please note that this event is **targeted for you as adults**. Children will receive age appropriate information from Richard during the school day (on 22nd January 2019) and as part of regular e-safety teaching at school.

If you have any queries or questions regarding this event, please do not hesitate to contact me.

Please complete the reply slip to confirm your attendance. We look forward to seeing you at the information session.

Yours sincerely,

Mrs S. Gill

Acting Headteacher
