Focus of PPG spending

Support for four pupils in one or more of the following areas:

- Mathematics with a focus on number work;
- Phonics development
- Reading development to ensure meeting age-related expectations
- Writing - sentence development;
- Writing at age-related expectations
- Physical development –
- Emotional support

Assessment

Staff use assessment to identify pupils' areas of need. From this, programmes of support are designed which both consolidate prior learning and enable pupils to make significant progress.

Pupils' progress is measured at significant points in their programme, and adjustments are made if necessary.

Pupils are assessed at the end of the unit so that progress can be measured.

Where pupil-support is non-academic, records are kept and progress reported as narrative.

Barriers to Educational Achievement Faced by Eligible Pupils at Bugthorpe Primary School.

Amongst the current recipients there are no obvious barriers to learning.

Review date for PPG Strategy
