

Calling all Parents/Grandparents!

Reception will be learning all about Space during the Spring half term and we would like to invite you to spend the morning with us helping out with different kinds of Space craft activities e.g. building large space ships to use in the role-play area, making stars, making space rockets etc.

The Space morning will take place on Wednesday 13th February from 9am until 11am.

If you have any large cardboard boxes please bring them with you to create your rocket/spaceship with your child. We would also appreciate any donations such as: silver foil, cello tape, masking tape and newspapers. These can be donated as soon as you can!

If you would like to come and join us in some Space fun please fill in the form below and send it back into school.

Many thanks,

The Reception Team

Please note: due to space restrictions, we can only accommodate one adult per child.

Child's name: _____

Your
name: _____ (Parent/Grandparent)

☺ Yes please I would like to help out on the Space activity morning on
Wednesday 13th February from 9am until 11am.

Signed: _____
