

# Creative Homework – Pole to Pole

1H

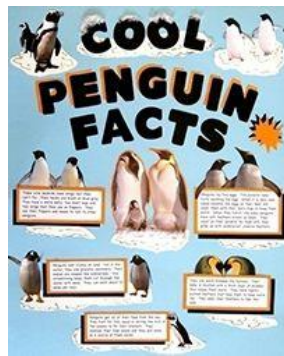

Can you try some of these activities at home?

We are learning about Penguins.

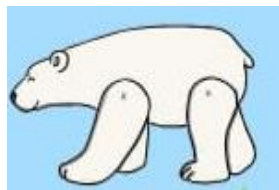

Can you make a poster with interesting facts about penguins?

Can you create a shoe box habitat for a penguin or a parrot?

Can you make a split pin moving animal that you would find in a rainforest, or at the North or South Pole?

Make an explorers map of Antarctica or the Arctic to show what they might see.

Write a postcard from Brazil.  
What is the weather like? What have you seen?
