

Extreme - homework

Choose 1 box each week, complete the task and then highlight it to show it has been done. Best homework will be displayed in the Year group's 'Our World' gallery.

Create some maths word problems about countries and the world.	Write a list of the top 10 largest countries in the world and say what their population is.	Research the country of your choice and write some facts about it.	Compare the food in 2 different countries and complete a write up of your findings.	Conduct a survey of which countries people would like to visit and record the data in a tally/pictogram.
What can you find out about Everest- create a fact poster.	Draw/paint a picture of a world flag of your choice.	Make a model of a well-known landmark or monument. e.g Stonehenge.	Pick 2 countries and imagine you visited them. Write a diary about your experiences.	You've booked a holiday and end up in the wrong country. Write about what you would do?
Research 3 football teams from different continents and draw their kits.	Can you pick 5 countries and write down who runs the country. (do they have a president or royal family?)	Make a model or painting of the shape of a country. (outline).	Make a table of the continents and list some countries in that continent.	Create a poster advertising a holiday to Antarctica.
