

Titanic Homework

This term you will be choosing activities which interest you from the list below. Any help from home is more than welcome so think who could work with you on different activities. If you need to borrow any resources please make sure you ask your class teacher in plenty of time. If you have any alternative ideas you can do your own. Ideas are wonderful! **REMEMBER!** How you present your work is very important.

1. Make a timeline of the life of the Titanic. Add pictures or patterns to improve the presentation of your work.
2. Read a Titanic non-fiction book. Write down at least 3 facts you learn so that you can share them with the class.
3. Design and make a model of RMS Titanic. You can use any type of material that you want for your model.
4. Find out about the food on board Titanic. Design a menu for 1st, 2nd or 3rd Class passengers. You could even try cooking some of the menu at home. Don't forget to bring in a photo if you do.
5. Make a leaflet to give out to passengers telling them what is available to them when they come on board, e.g. a swimming pool, dining facilities and a gym!
6. Find an interesting Titanic website and show it to the class. Write down at least 3 facts you learned from it. Think of an interesting way to display these facts.
7. Design a costume for a 1st Class lady or gentleman.
8. Write about or draw the differences in life for rich & poor passengers.
9. Write a story, diary entry or poem about being a passenger on board Titanic's maiden voyage.
10. Design a ticket to board RMS Titanic. Can you find out how much a ticket would cost different classes of passenger.
11. Write a newspaper report about the building of the mighty Titanic. Don't forget to use the correct layout which we have been learning in class.
12. Make up a Titanic word search or crossword.
13. Find out what the differences were between the 1st, 2nd and 3rd Class cabins.
14. Research what else was going on in the world at the time the Titanic was built. For example you could find out what was life like for people? What was school like in 1912? Find out about money in 1912. What did notes/coins look like?
15. You have been asked to design some very fancy and expensive jewellery for a 1st Class passenger. Can you design this on paper or even try to create it.
16. Create a collage of the Titanic.

Dear Parents/ Carers,

As we have started the Spring 1 we have asked the children what they would like to learn about and how they would like to learn. The children have expressed a wish to have creative homework alongside their weekly homework. I have set 16 home learning tasks for the children to work on. Your child will need to complete 9 of these tasks before Easter. They will need to choose a task each week to complete and will need to bring it in each Friday.

The children will be rewarded for completing each piece of homework and if they complete all 9 they will receive an extra reward.

The children can be as creative as possible and may choose to present their homework in a variety of ways. These may include posters, power points, quizzes, word searches, designing and making 3D models, complete a task at home and photographing it, making books or collages.

If you need any support or help then please ask. I would be more than happy to advice on any of the tasks and provide additional information as needed.

Mrs King, Mrs Brackenbury, Miss Sykes
