Dear Parents/Carers,

It is with much thought that I write this letter informing you of my resignation as Head of School at Harefield Infant School, at the end of the Spring Term. The years at Harefield Infant School have been the most rewarding of my career, but I now feel that the time is right for new beginnings and to spend more time with my family.

I started at the Infant school 10 years ago and over those years I have felt honoured to have taught your children and been a part of their formative years. Your children are a credit to you and I feel an emotional attachment to you, as parents and to your children. Your children have been a joy to teach and their eagerness to learn and progress in the classroom made the days and years fly by. As fast as the years seemed to go, I have always kept many wonderful memories from my years at the infants. I am very thankful and feel privileged for the opportunity to be a part of your children's educational journey.

Working at Harefield Infant School has been an incredible experience and I will always look back on the years with great fondness. I wish you, the Harefield families all the very best for the future and the education of your children.

Yours sincerely,

Mrs J Moss
