Friday 18 January £1 donation - All proceeds go to Birmingham Children's Hospital

We are supporting Mrs Hollyoak-Ellis a parent at Lakeside, who is trying to raise money for the hospital, this is a charity that is very close to their hearts for the following reason

"In November 2016 my second son was born with a dangerous heart condition. His chances of survival were slim and we were told to prepare ourselves that we would never get to hold him. Thankfully Birmingham Children's Hospital is almost on our doorstep and they were able to free up a bed to help treat him. Fast forward nearly 2 years and he is a healthy little boy, albeit still under the care of the hospital. We owe the hospital a debt of gratitude that could never be repaid but hope that by raising money we can say thanks in a small way for the incredible gift they have given us."

Also in March 2019 they are doing a trek through the Sahara, we wish them well in raising lots of money for this worthwhile cause. Please follow the link to their JustGiving page if you'd like to donate.
