We have been made aware that some children are using mobile phones while they are walking along causing concern with regard to awareness of surroundings and road safety.

Please could you remind your child not to use their phone while they are walking and to always pay attention while crossing roads and of their immediate surroundings.

There have been recent incidents where children haven't eaten all of what has been ordered for them. Prior to ordering meals it may help if you have a discussion with your child as to what is included within the meal.
