

10 January 2019

Dear Parents

11<sup>th</sup> – 15<sup>th</sup> February 2019 will be the school's Science Week.

Our theme for the week will be '**Discoveries**' with each year group also researching a famous naturalist linked to one of their areas of study.

During the week the children will be involved in various science activities, from a Mad Science assembly and individual class workshops to, Science with Cabbages, and a range of exciting challenging and thought provoking events.

To enable us to provide the children with this range of stimulating activities during the week we are asking for a contribution of £8.00

We appreciate that this is a voluntary contribution but we will be unable to undertake the activities unless the costs are covered.

If you would like to make a contribution but are unable to do so please see myself or Mrs French so we can come to an alternative arrangement.

To assist with organisational matters, please could payments be made before Friday 1<sup>st</sup> February.

Yours sincerely

Olivia Metcalfe
