

In Personal Social and Emotional Development we will be learning to...

- Be confident to speak to others about own needs
- Describe ourselves in positive terms and talk about abilities
- Consider that actions can affect others
- Be able to negotiate and solve problems

In Communication and Language we will be learning to...

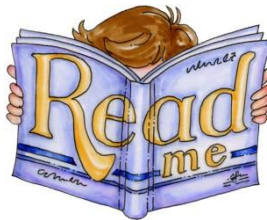

- Follow a story without pictures
- Develop our vocabulary
- Ask appropriate questions
- Listen and respond to stories
- Listen and respond to ideas expressed by others
- Explain our own knowledge and understanding

In Literacy we will be learning to...

- Rhyme words
- Write labels, simple phrases and simple sentences
- Read words, simple sentences and stories
- Use our phonic knowledge to write words
- Read and write high frequency words

Reception Spring Term 2019

In Mathematics we will be learning to...

- Solve simple problems using our knowledge of numbers (to 20)
- Compare objects according to their size, shape and weight using mathematical language
- Use language to describe position and direction
- Solve simple problems using addition and subtraction
- Match the correct number to a group of objects up to 20
- Find 1 more and 1 less from a group of up to 20 objects

What else can you do at home?

- Read a reading book every day
- Practise reading and writing simple words
- Practise phonics and complete home tasks
- Learn to read the high frequency words
- Practise counting and saying the number that is one more or one less.
- Look for shapes and numbers in the environment
- Find theme related objects and bring them into school
- Practise getting changed for PE sessions
- Practise doing up a zip independently

In Physical Development we will..

- Experiment with different ways of moving
- Use simple tools to effect changes to materials
- Handle tools and objects safely and effectively
- Hold a pencil correctly and use it effectively for writing
- Talk about ways to keep healthy and safe
- Write letters with the correct formation
- Practise some safety measures

In Expressive Arts and Design we will...

- Sing songs, make music and dance
- Construct with a purpose in mind
- Manipulate materials to achieve a planned effect
- Represent our own ideas, thoughts and play co-operatively as part of a group to develop and act out a narrative
- Initiate new combinations of movement and gesture in order to express and respond to feelings, ideas and experiences

Reception Spring Term 2019

We're Going on a Bear Hunt
Michael Rosen Helen Oxenbury

In Understanding the World we will...

- Look closely at similarities and difference, patterns and change
- Talk about features of the environment
- Make observations of animals and plants
- Complete a simple program on a computer
- Recognise and use a range of technology e.g. cameras, computers and computerised toys
- Talk about our own lives and compare them to lives of others

Traditional Tales and Dinosaurs

The Key Questions we will be asking are...

- What is my favourite story?
- Can I retell a familiar story through drama?
- Can we identify fiction and non-fiction texts?
- Can I predict what might happen next in a story?
- Can I talk about different characters in the story?
