

ENGLISH

To link with our topic, we will start by writing to persuade before exploring Anglo-Saxon/Viking myths and legends and examining stories from a range of cultures and traditions from the past.

SCIENCE

As scientists, we will be learning about the properties of different materials, investigating reversible and irreversible changes.

RE

We will explore the beliefs of others around the world and then examine the meaning of Easter.

ART/DT

We will be creating artwork based on Anglo-Saxon patterns/designs and then making shields.

MUSIC

In music we will be looking at notation. We will be listening, appraising, playing instruments and composing in this unit.

YEAR 5 TERM 3 AND 4 CURRICULUM MAP

LET BATTLE COMMENCE!

TOPIC

Our topic will be centred around exploring the lives of Anglo-Saxons and Vikings. We will be learning about who they were, where they came from and the invasions and battles that took place. At the end of the topic, we will act out our very own invasion, using the shields that we make!

BEING A GLOBAL CITIZEN

Throughout our topic, we will be learning about the effects of land use during the Anglo-Saxon and Viking periods and how that compares to the modern day. We will focus on the importance of resolving conflict in appropriate ways to build relationships.

MATHS

Throughout the spring terms, we will be focusing on fractions, decimals and percentages. We will continue to consolidate the four operations and develop our mental arithmetic through our daily maths starter activities (CLIC).

PE

We will continue to have a sports coach for various sports. Alongside this, we will be developing our gymnastics and dance skills.

COMPUTING

Using different software, we will be researching and creating a Viking longboat.

PSHE

In term 3 we will be exploring money - spending, saving and budgeting. In term 4, our topic will be friends and family.

FRENCH

After learning days and months, we will be learning to tell the French story 'Le Roi Tete en l'air' off by heart!
