

Class 3 Homework Topic Menu

Over the next few weeks, the children will have the opportunity to complete some homework projects.

Please complete at least 2 tasks from the menu list below. Due: Tuesday, 12th October 2018

<u>Tasks:</u>	Tick when complete:
Create a PowerPoint presentation about The Day of the Dead celebration. Why do people celebrate this?	
Design a 'Mexico' information poster persuade people to visit it.	
Design and make your own Day of the Dead Skull using DT skills.	
Create a presentation board that explains how magnets work. Label it scientifically.	
Create a PowerPoint presentation about the differences between the UK and Mexico.	
Create an image using geometrical patterns in the style of Aztec Art. Can you include animals and flowers in it?	
Create a fact file about the Aztecs - Tell	
Find images of a famous Mexican artist and represent their work in your own way.	
Build your own version of the Chichen-Itza ruins. Can you think of a creative way to make Kukulcan's Pyramid?	

We really love seeing your own projects from home and adding these to our topic displays! You'll have a chance to show and tell the class and adults about your homework too! 😊

PE: We're going to get stuck in with gymnastics and continue with Swimming.

Spanish: We'll be having weekly Spanish lessons on a Monday afternoon with an MFL teacher 😊

RE:

Our topic this half term is based on the journeys we experience throughout our life. The Christian life is about journeying with Christ and sharing his way of life. The Church's year celebrates the key elements of Christ's life.

Art:

We will be creating Aztec prints using straw and cardboard.

We will also be drawing images of Aztec gods.

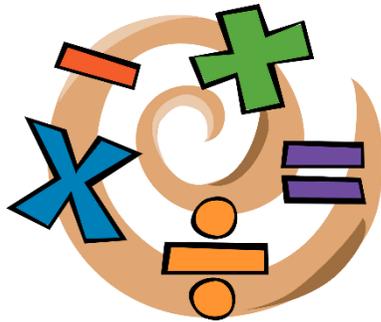

Look out for our day of the dead skulls!

Literacy: Our book for this term is 'The Queens Nose'. Our genres are: Persuasive letter writing, Narrative and non-chronological reports.

Mexico!

How is life in Mexico different from life in the UK??

- Intro to Mexico- What is life in Mexico like?
- Geography – Identifying Mexico's features using google earth and atlases.
- History – Aztec timeline.
- Compare and contrast Mexican and English customs and traditions.
- The Day of the Dead

Maths:

This half term we'll be focussing on multiplication and division. We will be thinking carefully about using the inverse and developing our understanding of the 3, 4 and 8 timetables.

We will also be improving our understanding of how to tell the time and solve problems involving time.

Read Write Inc:

We'll continue with our weekly Read Write Inc Spelling work. Please refer to the weekly homework sheet for information on the current spelling rule so you can practise at home!

Science: Pushes and Pulls.

We will be looking at pushes and pulls and we will be focussing a lot of our attention on magnets!

Why do magnets have different poles?

Sorting magnet and non-magnetic materials.

Testing the strength of different magnets.

ICT/Coding:

We will learn that objects can be programmed to respond to their background or environment. We will learn how different types of conditions can be used in code for different purposes. We will also be planning and writing code.
