

Woodfield Primary School Homework

Year 2 - Spring Term 2019

Woodfield School Interactive Homework

Please attempt the activities in any order and sign and date the activities once completed. Please return the interactive homework to school when completed. The children are to choose at least one activity from each row. Please ensure that the children complete at least six activities by Easter (*approximately one fortnightly*).

Weekly Homework – sent out Monday

Daily Reading – 10 minutes

Mathletics

Spellings

English/Maths in homework folder

Multiplication Tables/Division Facts (X2, X5, X10, X3)

1 piece of Interactive Homework approximately fortnightly

My World and Me

Animals of the Rainforest

Find out about an animal of the Rainforest such as the nine-banded armadillo or the sloth. What does it eat? Where does it sleep? What does it look like? Any other interesting information. Prepare a 1 minute talk or present your findings on paper to share with the class.

Travel Poster

Design a travel poster about Ecuador and the Rainforest. Include animals of the Rainforest such as the two toed sloth or the *nine-banded armadillo*, the volcanoes and other interesting facts. Make it look colourful and exciting so that people will want to visit it.

Rain Stick

Make a colourful recycled rain stick. Just turn it upside down slowly to hear the 'rain' falling inside! You will need: a cardboard tube, recycled paper such as magazines or wrapping paper, glue, tape and 1-2 tablespoons of dry rice. It will sound and look amazing on the Information Station.

Volcano

Baking soda and vinegar volcano - Use baking soda and vinegar to create an awesome chemical reaction! Watch as it rapidly fizzes over the container and make sure you've got some towels ready to clean up! Take a photograph of the chemical reaction. (Adult supervision)

Animals including Humans

Family Walk

Take a walk with your family and look for signs of Spring. Take photographs or draw a picture of what you have seen.

Healthy Eating

Visit BBC Science Clips age 6-7 and play the games on Healthy Living. Design a healthy meal on a paper plate or draw a healthy lunch box.

Collage

Make a Spring collage using recycled materials such as wrapping paper, buttons, tin foil, straws, fabric.

Smoothie

Make a healthy fruit smoothie for yourself or a member of your family. Alternatively make a healthy snack. Take a photograph for the Information Station.

Famous People

Famous People

Find out about a famous person from the past or present. It might be an explorer, an artist, a musician or an athlete. Write a short report on your findings.

Transport

Use recycling materials to make a method of transport. Try making a rocket, a ship, a hot air balloon or a car. Bring it in to school to put on the Information Station.

Acrostic Poem

Write an acrostic poem about an explorer of your choice. You might choose Christopher Columbus, Neil Armstrong or Tim Peake. Illustrate your poem.

Favourite Place

Bring in a photograph of a favourite place that you have explored with your family. Write down why you enjoyed visiting this place.
