

Y2 NEWSLETTER - January 2019

Dear Parents/Carers,

Welcome back!

This half term our topic is "Towers, Tunnels and Turrets". If your child has any photographs, books or things of interest that link to our topic please send them into school for us to share.

We also have a proud wall in our class that children can display their achievements on. We can photocopy certificates/awards from out of school to display on the wall along with pictures/models or extra work that children have been doing at home. It would be great if everyone can have something on the wall that they are proud of.

We have an exciting trip to Manor Lodge planned for the 6th February.

Diary Day and Reading Day

Diary Day - Monday
Reading Day - Wednesday
Parents are very welcome to come and support their child.

PE

Our PE days are Monday and Friday - please make sure your child has their PE kit in school.

Library

Our Library day is Friday. Library books can be kept for a week, then should be returned each Friday so they can be changed.

Homework

Your child will receive a small piece of homework each week relating to the work we have been doing in school. It will be given out each Wednesday in a homework book and should be returned to school on the following Monday morning.

In addition to this any support with reading and writing at home will help your child at school. You could also practise times tables to support our Maths work.

If you have any queries please do not hesitate to contact me.

Mrs C Shaw
