EXTREME READING

Where is the most extreme place your child has ever read a book? Whether it is up a tree, on top of a mountain or stood on their head, we want your photos! Your challenge is to take a picture of your child reading somewhere extreme and send it in to school so we can make a humorous and interesting display for the new library.

Obviously, we encourage you to keep safe (I wouldn't recommend reading in the jaws of a crocodile!) but we are really looking forward to seeing who in school has such a passion for reading that they have to do it anywhere and everywhere! You can send in a printed photograph (with first name only) or email it to k.sykes@copley.calderdale.sch.uk and we can print it for you.
