

# FOW Newsletter December 2018

## What an amazing start to the school year

Firstly, let us thank you for all your amazing support in our winter term. We have had a busy term with the disco, cloths collection, autumn crafternoon, fashion show, Christmas shop and Christmas cards raising funds of just over £3000. Special mentions to Liz Turner and Gabby Caves for organising the fashion show (our Biggest fundraiser this year) and a huge Thank you for Liz for applying to her work to match the funds raised.

So what will we spend it on? So far, money has been allocated to help subsidise school trips, the text messaging service, wet play equipment and workshops for victorian day/ shakespeare day ect, funds have also been spent on a new outdoor reading area for playtimes, new planters for the gardening club and last years leavers books. We are aiming high this year and have a high target in mind.....

The children’s fitness equipment would be placed to complement the outdoor play equipment and offer a place for children to improve their fitness. Wooldale Junior School focuses on keeping our pupils fit and healthy and the outdoor fitness equipment can help to ensure pupils live an active healthy lifestyle. The equipment will help promote social interaction, supporting children in improve their social and communication skills, whilst also improving their fitness levels and muscle and bone strength. The equipment once installed will be used for both playtimes and lessons to encourage pupils to engage in healthier fitter lifestyle.

We are also aiming to ensure that each classroom has their own ipad to support learning in the class room.

For our fundraising event in May we are looking for donations of chocolate, if you have any left over from Christmas please consider sending it in to school to support our chocolate bingo night.

Thank you for taking the time to read our newsletter, we look forward to seeing you at our next event. Remember to get in touch if you think you can help in any way.
