SCHOOL NEWS

Welcome back and a very happy 2019.
As always we have lots planned for this term. School Council
are focusing on developing a plan for the school to become
plastic free in response to the announcement by Damian
Hinds over the holidays.

<https://www.gov.uk/government/news/schools-challenged-to-go-single-use-plastic-free-by-2022>

Mrs Becky Hope has already started work on this important
area, by looking at ways to reduce the use of plastic in the
kitchen.

Look out for further information and ways in which we can all
contribute to becoming a plastic free school from both
School Council and Mrs Hope in future newsletters during the
spring term.
