December 2018

End of the Autumn Term

Dear Parents and Caregivers,

We have reached the end of the Autumn term and what a busy term it has been. All Year 2 assemblies have now been completed and we look forward to watching the rest of the class assemblies in the new year.

The Breakfast and Afterschool clubs have now been going for a half term. The children have enjoyed choosing from a wide variety of cereals and condiments, which gives them a healthy start to their day. Afterschool Club not go till 4pm. Please be prompt to drop off and pick up your child each day. This will continue in the new year, starting back in week 2.

The children got into the Christmas spirit during our school Christmas lunch by wearing hats made especially for the day. Children ate their lunch as Christmas carols played in the background, and each class was joined by their teacher who helped to serve up the lunches and soak up the Christmas atmosphere.

Our school value for December was 'being resilient'. In our classrooms, we have spoken about what it means to be resilient and have been working on strategies to help us become more resilient when things become difficult.

Attendance and Punctuality

2019 is a great opportunity to start afresh and to make sure your child comes to school each day with having a healthy breakfast and the right amount of sleep.

Please make sure you are dropping off and picking up your children at the correct school times.

A huge congratulations to the Reception and Nursery classes for their Christmas performances. The teachers were blown away by such beautiful singing and it was wonderful to see so many children speaking in front of a wide audience.

On the last day of term the RGI staff put on a great Christmas performance for the school. All staff dressed up and took on their roles with great enthusiasm, singing songs alongside some unique and humorous acting and dancing.
