Happy New Year and Welcome Back

Welcome back to a new calendar year. WE hope you all had a lovely Christmas and new year and managed to get some rest. Its so lovely hearing from the children about what they got up to and what they were lucky enough to receive at Christmas.

Reception Intake 2019/2020

A reminder that applications for school year 2019/2020 for reception class intake closes on Tuesday 15th January 2019. Applications ideally need to be done online by this date.

A Rat Story....

Yesterday there was a rumour in the playground that a rat had been found in the boys toilets. Naturally we checked very carefully straight away. The school is constructed to a modern high standard and there are no nocks or cranny's that anything can hide in in the toilet. There was no evidence, sight or smell of a rat. When we tracked back to the original 2 boys that spread the rumour we found they both said the other one had seen the rat, but they hadn't. The day before a rumour had been spread that a T-Rex had been seen in the school grounds. At the moment we are treating this as a bit of a game that got out of hand and have talked to the boys accordingly.

Clubs

Club letters went home yesterday. If your child did not get a letter then that may be because on this occasion they didn't get into a club. However if you think they will have been allocated a club then please do contact the office to ask. Some clubs were very popular this term which meant a number of children going onto the waiting list. As soon as a space becomes available children on the waiting list will be asked if they wish to go to that club still.
