

# Year 1 HOME LEARNING Spring 1

## Maths

Make a poster all about number bonds to 10 or to 20 to display in the classroom.

## Science

Go on an Animal hunt. What do you think you will find?

## Computing

Programmable and automated devices are everywhere! What ones have you got in your household? What do they do? How do they work?

## English

Choose an animal to create your own dreamtime story about. How did it end up looking like it does today? You could write it, act it out, make a puppet show etc.

## Topic

Carry out some research on Australia. Bring 2 facts to school to share with your class, 1 thing that is similar and one thing that is different to the UK.

## DT (Design and Technology)

Design and create a 3D model of your favourite animal.
