Year 1

Spring Term 2019

2019 is here!

Our topic focus for this term is 'Once Upon a Dreamtime'. We will be exploring the creation stories from the indigenous people of Australia whilst learning about this magnificent country and comparing it to the United Kingdom. Using the Dreamtime stories we shall dive into the animal kingdom to find out more about the creatures we share our world with!

If you have any resources, books or artefacts which you feel would enhance our work, we would really appreciate borrowing them! Please ensure they are named. I have attached a copy of the overview of the term so that you can see some of what we will be learning in Year 1, find more details on our weekly newsletter.
