If you change your mind at any time, you can let us know by emailing:

adminoffice@shiptonbellinger.hants.sch.uk or phoning the school office on 01980 843369. If you have any other questions, please contact the school and ask to speak to the Data Protection Officer: Mrs Julie Oakes

Why are we asking for your consent again (you already gave us this when your child/ren joined us)?

You may be aware that from 2018, the rules around data protection changed. The “General Data Protection Regulation” (GDPR) changes how we can use your personal data and keep it safe, and will also strengthen your rights over your own data. The point of this is to make sure sensitive or private information about yourselves and your child/ren stay safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to ensure that we make the appropriate changes at school to remain compliant.

One of these changes is that we have updated our **privacy notice**; please find it on our website in the **GDPR** section.

We really value using photographs of pupils to showcase what they do in school and show others what life at our school is like, so we would appreciate you taking the time to give consent again.

Yours sincerely,

A handwritten signature in black ink, which appears to read 'Matthew Nightingale', is displayed on a light grey rectangular background.
