

Dear Parents,

Welcome to 2019 and warmest wishes to all Year 3 and Year 4 parents.

Our topics for this term are as follows:

PE                                      Swimming & Gymnastics

Please ensure that a correct PE kit (including appropriate footwear) is in school EVERY day.

Science                                      Sound & Plants

Computing                                      Algorithms and Programs, E Safety (ongoing)

Art/D&T                                      Textiles

History                                      Ancient Greece

Geography.                                      Water Cycle

RE      Muslim Beliefs & Values

Homework will be set on a Wednesday and should be completed on or before the following Wednesday morning (spelling and number tests will be taken on a Wednesday).

There will be some online homework in Year 3/4 and it is important for pupils to keep up to date with completing this.

Could you please support your child by ensuring they complete and return their homework each week.

If your child is interested in Scratch the version we use is 2.0 and this program is free to download. Googling Scratch 2.0 will take you to a download page where the program can be downloaded to your own laptop or computer.

SPRING DIARY DATES:

Parents' evenings this term are planned for Tuesday March 5th and Thursday 7th March. There is also an inset day planned for Friday February 15th.

We would like to take this opportunity to express our thanks and appreciation again for your support.

Kind regards

Mrs Beecroft & Mrs Collett
