### ATTENDANCE STARS

Best year group: **Year 6 - 97.56%**

Best class in EYFS: **Yellow Class – 94.20%**

Best class in Lower Phase: **Purple Class – 96.41%**

Best class in Upper Phase: **Saffron Class – 97.66%**

**Persistent Absentees (Under 90%)** - Our greatest concern is that we have a large number of children who attend school less than 90% of the time. Unfortunately, our persistent absentees make up **16.03%** of our children and national figures are only around **10%**. We are working hard with parents to reduce that number so that all children come to school regularly.

**Punctuality / Lates** - We are pleased that the number of persistently late children is reducing. Autumn 2017 we had 861 recorded lates, whereas Autumn 2018 we only had 733 recorded lates. However, there are still a few parents who are consistently late every week and we would like to encourage those parents to ensure their children arrive at school on time every day to support their child's learning.
