

YEAR GROUP NEWS

11th January 2019

Reception

Welcome back everyone; we hope you had a good time over the holiday period.

This week the children have been settling back into school and class routines. We have been starting to learn about our new topic, "Our Beautiful World". We are looking forward to learning about customs, food and stories from all over the world. Next week our focus will be India and we will be learning about festivals and food from India. We will be giving the traditional tale "The Gingerbread Man" an Indian twist!

YEAR 1

This week we have been learning all about the shapes. We have investigated the different ways a triangle can look. We found shapes all around school and we even made our own pictures from different shapes. At home this week you could spot shapes around town. Do we see more squares or rectangles around town?

Don't forget we are swimming next Tuesday afternoon. Please make sure your child has a swimming costume, towel and goggles if needed. On Tuesdays they can wear joggers or comfortable trousers to help with them getting changed. We will still do PE on Mondays and Wednesdays.

YEAR 2

Happy new year to you all! We started lots of new topics this week - more news in our topic newsletter very soon. The children all had a go at writing the start of a traditional story this week and did really well. If you get chance over the weekend, listen to some on YouTube or storynory.com. The more children hear and read them, the easier it is for them to create their own.

Don't forget to return your forms for the library visit by Monday.
