Public Consultation into the closure of Children's Centres in Surrey

Thank you to those who managed to share their views on the consultation of Surrey's Children's Centres. All consultations have now closed. Feedback will be considered by Surrey County Council's Cabinet on Tuesday 29th January 2019.

The number of residents needing our support is on the rise with the Council facing huge financial pressures from having their core government grant reduced.

We hope the work we do here for our local community is recognised and supported.

We are now fully staffed!

Sally our Manager is in every day alongside our new staff Claire, our Outreach Worker who is working Monday to Thursday. Kristina, our Information & Advice Officer is in every morning except Wednesdays.

PLEASE CAN YOU HELP US?

Donations & pass on scheme.

We are looking for clothing donations for our local families. In particular Boys 9- 12 months and 12 - 18 months.

To save our Centre time please consider the following:

- Clothes should be bagged and labelled with ages.
- Seasonally appropriate, e.g. autumn/ winter.
- Clean and still usable.
- Equipment should be safe, clean and complete.

We may not have room for large equipment on site so please call the centre in advance.

Please help yourself to anything you would like. The unit at the end of the covered play area has boxes all sorted and labelled. We welcome cash donation which we convert into vouchers for families in difficulty.

❖ Don't forget at the Children's Centre we can advise and support you in many areas including: Early years and childcare options breast feeding support/ Breast pump hire, benefits and financial support, employment support and local job lists.
