10th January

(SATs 2019)

Dear Parents/Carers

There will be a meeting on Wednesday 16th January at 6pm to give you an overview of what your child will be doing this year with regards to the SATs tests. The end of Key Stage 2 tests were changed a few years ago to make them much more demanding and will involve a lot of work for your children this year. The presentation will give you an overview of the exam timetable, the structure and content of the tests and how you will be able to support your child to give them the best chance to shine.

It will also give you an opportunity to ask any questions about the challenges your child will face and to collect some useful advice and resources to help support their learning at home.

I hope you will be able to attend. Please could you complete the reply slip below to let us know if you are able to attend.

Yours sincerely

The Year 6 Team
