

Some photos from last month's activities...

Dear Parent/Carer,

Welcome to our November newsletter, we hope you have all had a delightful half term holiday and are ready for a very busy but rather exciting term as we prepare for Christmas, only 7 weeks away!!!!

Safety Week

Safety week was a great success. I would like to take the opportunity to thank everyone that attended and made a donation. We raised a wonderful £77.00!! We have decided to send the money collected to the Rossendale Community First Responders, as they are all volunteers who give their time freely to help care for people and save lives in our community. Responders are everyday members of the general public who are trained to deal with a wide range of potentially life threatening conditions until the arrival of an ambulance. We will also be sending Thank you cards to the other services that so kindly gave up their time and expertise to broaden our children's understanding and knowledge of their roles.

Planning/Activities

We will be carrying out a variety of activities this month that are linked to Bonfire Night, Remembrance Day, Autumn and Christmas. These will include cupcake firework craft, bread making, spiced apple punch, paper poppies, remembrance poems, yarn wrap autumn leaves, rain sticks, Autumn spice painting, Christmas tree fingerprint craft and creating our advent calendar.
