

Year 4 Take Home Task

Year 4's topic this half term is centred on **Italy** and in particular **MOUNTAINS**.

For your take home task, I would like you to produce a piece of work that will contribute towards our end of half term showcase, 'Lyminster's Global Village'. You could do this by choosing one of the following activities, or doing you own thing! I have been so impressed by the quality of take home tasks so far and I look forward to seeing what you can achieve. All activities are worth 5 Dragon Points - challenge yourself to see how many you can earn by Wednesday 13th February! If you need any resources, please let me know as soon as possible. Have fun!

<p style="text-align: center;">English I enjoy reading, writing and speaking.</p>	<p>Create an exciting short story about an adventurer who leaves his/her homeland to climb a mountain. Why does he/she leave? How does he/she travel? What experiences does he/she have? Include a picture if you wish.</p>	<p>Write a poem about either a mountain or a volcano. You can use any form or style you like.</p> <p style="text-align: center;">Remember your poem does not have to rhyme.</p>	<p>Use a dictionary to find the meaning of the following words: Peak, ridge, summit, mountain range and glacier.</p> <p style="text-align: center;">Create a glossary using the definitions you have found.</p>
<p style="text-align: center;">Mathematics I enjoy working with numbers.</p>	<p>Research and present the temperatures of different mountains. Can you look at the differences between summer and winter? Can you find any negative temperatures?</p>	<p>Research the heights of 6 different mountain peaks and present the heights of these as a bar graph. Can you include the tallest and shortest peak?</p>	<p>Create a mountains and/or rivers top trump card set. Bring it in to play with a friend.</p>
<p style="text-align: center;">Visual I enjoy painting, drawing and visualising.</p>	<p>Using any media e.g. paints and pastels etc. Draw a realistic mountain scene.</p>	<p>Using images of different mountain scenes, can you make a collage to create your very own mountain scene?</p>	<p>Draw an animal that can survive in mountain conditions, both summer and winter. You could do animal</p>

Year 4 Take Home Task

<p>Kinaesthetic I enjoy being active and doing hands-on activities.</p>	<p>Make a 3D model of a mountain or mountain range. Can you use materials to create the texture of a mountain?</p>	<p>Create a model to explain how mountains and volcanoes are formed.</p>	<p>Create a meal that would provide the essential energy required for a mountain hike. Think about why you would need those types of food. How about make it and get your friends and family to taste it?</p>
<p>Music I enjoy making and listening to music.</p>	<p>Imagine an avalanche is crashing down the side of a mountain, can you create a piece of music to go alongside this?</p>		
<p>Science I enjoy investigating and experimenting. Focus: States of Matter</p>	<p>Have a look around your house. Can you sort what you find into solids, liquids and gases?</p>	<p>In class we will be investigating the effects of melting and cooling kitchen ingredients. Can you have a go at home and bring in your findings?</p>	<p>Research the water cycle. Can you write a story from the point of view of a single raindrop, describing the journey you go on?</p>
