3rd January 2019

Dear Parents and Carers,

Happy New Year! And welcome back to Mrs Freebury in Year 3/4, who has returned from her maternity leave to take over the class full time. We are delighted to have her back on our team and I know you will join me in welcoming her back to Laycock.

As part of our Academy Trust improvement programme we are doing lots of work to share best practice across our Early Years settings and Miss Evans is taking a leading role in this work, so you may see a few visitors over the coming weeks.

The bus stop is now in place outside the school car park entrance, which is excellent news! Could I please just remind parents to be extra vigilant with their children in the car park as vehicles are using this area constantly. We are looking into having an alternative pedestrian entrance created but in the meantime please help us to keep our children safe by keeping them close to you in the car park.

Could I also draw your attention to a proposed bus driver's strike for Monday 7th & Monday 14th January 2019. The K1 service will still run, with the current proposed timetable printed overleaf for your convenience. For updates please visit <http://www.keighleybus.co.uk>.

Sports provision in school, including after school clubs, is now provided by Sport-Tec. This is a sports provider used across the Academy Trust and one the KS2 children are familiar with by way of the football sessions they all received prior to the Christmas holidays and the inter-school friendly competitions some KS2 children have participated in at Farnham Primary School. Letters are going out today for After-School Rounders Club starting next Wednesday. Sport-Tec will also run the Lego club on Wednesday mornings.

A reminder also about 'Fuel For Schools' every Thursday after school under the shelter – bring a bag and some change for food bargains, with all proceeds going straight back in to support your child's education.

That's all for now!
With best wishes,

Mrs J Nove
