We would like to start a **running club on Tuesdays** after school and have two parent volunteers who are willing to help. I am involved in the Thursday Junior running club in town which some of our Year 5/6 children attend and therefore cannot run another in school. The club will be for KS2 children so please see me if you feel you can be of assistance as we need at least one more volunteer. Thank you.

Choir will begin this Wednesday 3.20-4.00pm with Mr Strachan for **Y2 upwards** as he would like to begin rehearsing for his annual concert at Dearham School asap. We will presume your child is returning to choir this term unless we are told otherwise. If your child would like to begin choir then please return the slip below before Wednesday. All other clubs will begin shortly and you will be sent out a new club list for your child to make their choices from.

The **church youth club** started last Friday and was enjoyed by all who attended. It is for KS2 children and runs every second Friday of the month in Christ Church.

Good luck to our **Year 5/6 footballers** who are playing at The Sands this Saturday in the annual school's tournament held there.

Following a meeting of the Directors of the OOSC, the charges for sessions in the club will be increasing by 25p/session as from Monday February 25th (after half term) and again at the start of the Autumn term 2019. These charges have not increased for a substantial time and are still lower than many local providers. The morning session from February will be £4.00, half an after school session will be £3.75 and a full session will be £7.75. From September the morning session will be £4.25, half an afternoon session will be £4.00 and a full session will be £8.00. Thank you for support in this matter.

My childwould like to join choir beginning this Wednesday
3.20pm - 4.00pm.
