

Primary Academy

Year 2

2019 is firmly underway and we are excited to continue with our new curriculum! We have been working hard to refresh and refine the foundation curriculum we offer to our pupils. There are new ideas to educate and ignite the pupils' interest. This overview will give you a flavour of the term ahead.

Year 2 Staff:

Miss Oyston

Miss Hardy

Miss Pratt

Art

Pupils will delve into the world of portraits and royal galleries to find out about the many different faces of the Queen.

They will use this exciting knowledge to then produce their own Royal Gallery starring themselves.

Enhanced

Children will be transported back to 1953 to witness the coronation of Queen Elizabeth II.

DT

After receiving an urgent plea from Her Majesty, the children will design and make a pair of knickers for a very royal occasion!

How has Britain changed since the Queen came to the throne in 1953?

Geography/History

- What happened at the Queen's coronation?
- What did children do after school in 1953?
- What was the British Empire?
- What key events have happened since the Queen reigned?
- What job does the Queen do?
- How much did a shopping basket cost in 1953?

Performing arts

Pupils will become patriotic as they learn to sing the National Anthem and perform it for Mrs. Morrison.

After travelling back to 1953, children will learn to play popular 'clapping games' of the 1950's and how to keep a rhythm.

Key areas of understanding

Looking at and learning from historical sources

Chronology (time order) of key events in British history

Key Times and Days

KS1 doors open - 8:50am
Registration - 8:55am
End of school - 3:15pm
Reading books/Homework out - Friday

PE/Spelling test - Wednesday
Library visit - Monday
Homework due - Wednesday
Reading books due - Tuesday

Science

Which materials did they use to build a museum?

This term we will investigate a range of different materials and their properties.

We will explore how shapes of solid objects can be changed.

In addition to this, we will investigate how an object moves on different surfaces.

Computing

Can you tell a computer what to do?

Children will learn the language of 'code' and will be able to tell a computer what to do.

Can you predict the outcomes of a set of instructions?

Can you test and fix a set of instructions?

Can you write a simple program and test it?

RE

What can we learn from the Venerable Bede?

What is the meaning of Easter?

How do Christians celebrate Easter?

PE

We will check for any budding Andy Murray tennis stars! Strawberries not included,

A chance to get bouncing in Basketball and shoot some hoops.

Summer brings the athletics to Dubmire with track and field events galore!

Supporting the whole child

Can you tie your shoelaces?

To support children in becoming more independent, we will encourage them to tie their own shoelaces.

We will also be welcoming parents into school for the 2nd parent consultation meeting during the Spring term. We hope to see you soon!

Please keep up to date via the school website and Facebook pages whilst ensuring we have your most up to date mobile number.
